We are looking for somebody to join our team as a

Test Automation Engineer – Product Development (f/m/d)
AT OUR SITE IN GRAZ

The **SSI Schaefer Group** is the world's leading solutions provider of modular warehouse and logistics systems and employs a workforce of over 8,600 people at its international subsidiaries and production sites.

SSI Schaefer consolidates the Group's software power, making it the ideal partner for analyzing, visualizing, and optimizing intralogistics processes.

With over **1,100 software experts,** we develop customer-oriented, individually tailored intralogistics solutions.

YOUR RESPONSIBILITIES

You will support and further develop our test automation to ensure the overall quality of our intralogistics solutions. Your focus will be on the constant improvement of our automated tests and test architecture, as well as monitoring and maintenance.

Your tasks will include:

- Constantly improving our test development and architecture for our existing tech stack
- Ensuring the technical success factors for our test automations
- Creation, review & maintenance of automated end-to-end tests
- Further development of our test framework

YOUR SKILLS

- Completed education with a technical focus (HTL, university, university of applied sciences)
- Several years of experience in test automation or programming
- You know the typical hurdles of test automation and master them successfully.
- Experience with Tosca and other common tools is an advantage.
- Very good knowledge of English is required.
- Good knowledge of German is optional.
- Python programming skills are a plus.
- Experience with Playwright is a plus.
- You are willing to travel internationally (approx. 5%).

YOUR BENEFITS

In addition to a wide variety of engaging tasks, we also offer our employees the following benefits:

- Family-owned company
- Job security
- Healthy growth
- Home Office
- Staff discounts
- Numerous staff events
- Comprehensive health care package
- Lunch subsidy
- Flexible working hours
- Personal professional development program
- Mentoring-System
- Free parking

YOUR APPLICATION
